

Lets Be Pen Pals!

No matter where you are learning from, Live Learn and Lead would love to be pen pals with you! Our animals are missing their friends and would love to hear from you! They promise to write back, so you can have a note in your mailbox-just like Mrs. Goose from Bayberry Lane.

We can answer classes at school addresses for confidentiality and teachers can help with delivering for distance learners. Choose you pen pal or wire to all the animals!
